

ALDEN GARDENS OF WATERFORD

Assisted Living Community

Have Peace of Mind

With an In-Home Companion

(Free for the first 2 weeks!)

At Alden Gardens of Waterford Assisted Living Community, we understand that moving into a new home can be challenging. That's why we are offering the Companion Program to make the transition as smooth as possible. For up to 20 hours per week, for the first 2 weeks, all new residents who move in can take advantage of the Private Companion Program – free of charge. We want to help you make move-in easier!

Your Personal Companion Can Help With:

- ▶ Getting you acclimated to your new home
- ▶ Light unpacking
- ▶ Errands
- ▶ Companionship

Should you choose to continue receiving companion services after the complimentary program ends, you can arrange to do so by contacting Family Home Health Network at 630-317-3300.

For more information about living at Alden Gardens of Waterford, contact Bobbie Skudrna, Executive Director, at 630-851-1880.
